“I am grateful for the leadership, guidance and advice I have received from my Assistant Democratic Leader Sandy Pasch (D-Shorewood). Rep. Pasch has been an inspiration to me as a freshman legislator, and I have especially appreciated her knowledge and experience in her tireless advocacy for improving the resources, care and support for individuals and families of those with mental health issues.

“We will miss her compassion and professionalism. I wish Sandy well as she explores her new and vast horizons ahead.”
